2016-2018

## **BIOLOGY TEACHER**

Beijing Huijia Private School – Beijing, China

- ◆ IGCSE Biology and IB DP Biology - achieved the best results in the DP course in the school's history
- ◆ Created the Biology Fair and Biology Competition to build engagement with the subject.

2014-2016

## **SCIENCE TEACHER**

The Bushey Academy - Watford, UK

- ◆ Taught the KS3/KS4 Science National Curriculum to years 7-10.

## **EDUCATION**

---

### **BACHELOR OF EDUCATION - 2014**

Lakehead University, Thunder Bay Ontario

- ◆ Qualifications in General Science – Biology and General Social Sciences; both in the Intermediate and Senior Division
- ◆ Ontario College of Teachers certification – issued Sep 2014.

### **BACHELOR OF SCIENCE, HONORS - 2012**

University of Toronto, Toronto Ontario

- ◆ Biology Major, Classical Studies Minor, Religions Minor
- ◆ Social Convenor for the South Asian Alliance and the Biological Studies Students Association. Humanities Director for the Scarborough Campus Students Association, the university's student government.

## **EXTRA-CURRICULAR**

---

- ◆ Active in the school community over my career with supporting roles such as homeroom advisor, supervising several clubs (Green Team, Brain Bowl, Reach for the Top, Operation Smile)
- ◆ Passionate about basketball, I have coached the basketball team for every school that I have taught that has offered the sport. As a head coach, led the senior boys' basketball team to second place in tournaments for international schools in Beijing, first time in the school's history.
