Letter of Recommendation: Ron Dayaram

Ron joined The Bushey Academy as a teacher of Science in September 2014, and has shown himself to be a reliable and trustworthy colleague since that time.

He is a good team player and goes out of his way to support his department, as well as going beyond the requirements of his role in supporting his students in their learning. He has good subject knowledge and is keen to pass this on to those in his care.

Ron wants students to get the most out of their time at school, and is an advocate of participation in extra-curricular activities. He is a solid supporter of his House and gives his time freely to support House and school events.

I know of no reason why Ron would be unsuitable to work with children, and he has not been subject to any capability or disciplinary procedures during his time at the academy.
